**Note to Administrative Record file IA-A-001111**

Although the attached letter indicates that a closeout report for Type 1 facility T8931 was attached to this letter, T8931 is a typographical error confirmed with Steve Nesta on 4/15/03. The correct facility identifier is T893A and not T8931. A closeout report for T893A was attached with this transmittal letter.
